### Upcoming Classes

---

Hi again,

The 2007 Performance Racing Industry Trade Show, Dec 6-8 in Orlando, Florida is just great this year - as usual! Skip Gladstone and I are at Booth 4177 - do stop by.

When we get back we will be looking at our class offerings for 2008. We were planning on Dyno Operation in January, but overwhelming response from our October class on Carb Tuning suggests we might serve you better by offering Carb Tuning again in January. Classes are for 5 days and are limited to 10 people per class. Let us know how you feel.

John

PS: If anybody has a copy of my 1992 Superflow Presentation on VHS, please contact me.
