### Carb Tuning Class

---

Hi Again,

We continue to gear up for our October Carb Tuning class and encourage anybody with interest to sign up. Attendees have included beginners to world class, Daytona winning experts. We respect the right to privacy and appreciate those who allow us to mention their attendance. We provide individual work stations for the same reason and to allow folks to work on their own projects at their own pace.

The dates of the October class are still open to suggestion.

The hours will be Fri, Sat, Sun - 9AM to 9PM.

Class size is limited to 10.

Price for the 3 days is \$500.

John
