dAMBEST the World's leader in Billet Carburetors!

Hi Again Everyone!

Late October last year we had one of our yearly carb tuning classes. I recorded the many hours of class and conversations and we now offer those CD's and many others, along with DVD's for you to enjoy. Just a few on the list are:

- Reading Today's Spark Plug - comes in CD or DVD
- Carb Installation & Setup
- Restored Antique Carb Installation & Setup

The complete list of our education materials can be seen [here](#).

This year's [Carb Tuning Class](#) is now taking form. It will be in late October, like last year, and it will be a three day course, like last year. We are still considering the days. Last year it was Friday, Saturday and Sunday. This year we are considering Thursday, Friday and Saturday if that is better for everyone.

See you at the races,
John
