Hi Again Everyone!

This is the time of year where the good news rolls in !!!!!!!!!

Car owner Roger Humeston of RGH Construction just received his new 468 DIRT Legal carb a few days before the season opener at Orange County Speedway, Middletown New York and won the Opener for his first ever race win! Wow!!

We at *dAMBEST* want to congratulate Roger and his driver Danny Creedon for their great showing.

Remember, when you need a carb modified (eg., Holley, Demon, Quick Fuel), we can give you race wining results too!

See you at the races,
John
