## News for 09/08/09

### New 4500 Linkage!

---

Hi Everyone!

These are a pair of 2.250-4500's with our new dambest linkage. This linkage is self closing, were the primary will close the secondary to avoid a sticky shaft problem. There are also two choices of progression on the opening.

This year's [Carb Tuning Class](#) is now taking form. It runs from Thursday 29th to the Saturday the 31th of October. If you are interested in coming to the carb class, we are now looking for the class fee to reserve your spot.

Thanks for your support,  
John

---

PS: **\$400 REWARD** for a copy of my 1992 Superflow Presentation on VHS!

Great news! *dAMBEST* is now an officially accepted carburetor brand in the Australian National Drag Racing Association, [ANDRA](#)! We are legal in Pro Stock events. Our [4500 Series](#) and [Split 4500 Series](#) carb would be recommended.
