

World's leader in Billet Carburetors

News for 05/18/10

## Vinny Wins Atlanta!

---

Hi again!

Vinny Barone wins Atlanta! Wow,,,, I am so happy for Vinny! He is a great car owner and racer. I am happy that *dAMBEST* can be a part of this comp team effort. All of Vinny's comp cars run *dAMBEST*.

Vinny qualified number 2, with a -0.618 effort. And Kevin Robb qualified 6th with a -0.578.

Thanks again Vinny,  
John

Thanks everyone for making us a part of your projects,  
John

P.S.

- When running VP fuels, you will need to WD-40 your linkage and shafts after each day's use. This is very important to keep linkage free on *dAMBEST* carbs.
- If you would like us to post your car, please forward a photo.

## Other News

- The best news you can find on the web, [dAMBEST NEWS](#). You can now look at all of the news letters we have ever done on the web.
- Our Carb Tuning Class has been so well received that we offer recordings of it on CD and DVD. Coming down the line is the on-line version of the class that will be great for those who just can't get away for the 3 days. They'll be able to cover the material at their own pace on their own schedule.
- Great news! *dAMBEST* is now an officially accepted carburetor brand in the Australian National Drag Racing Association, [ANDRA](#)! We are legal in Pro Stock events. Our [4500 Series](#) and [Split 4500 Series](#) carb would be recommended.
- When running VP fuels, you will need to WD-40 your linkage after each days use.

This is very important to keep linkage free.

PS: \$500 REWARD for a copy of my 1992 Superflow Presentation on VHS!

Titled "R&D of Timing Events in Performance Engines"
