News for 05/25/10

Congrats to Vinny in National Dragster

Hi again!

Vinny Barone's win in Atlanta was great and we're making sure the good readers of National Dragster know about it! Below is the congrat we're running in the June issue. Again, I am happy that *dAMBEST* can be a part of this comp team effort. All of Vinny's comp cars run *dAMBEST*.

Thanks again Vinny,
John

P.S.

- When running VP fuels, you will need to WD-40 your linkage and shafts after each day's use. This is very important to keep linkage free on *dAMBEST* carbs.
- If you would like us to post your car, please forward a photo.

- Our Carb Tuning Class has been so well received that we offer recordings of it on CD and DVD. Coming down the line is the on-line version of the class that will be great for those who just can't get away for the 3 days. They'll be able to cover the material at their own pace on their own schedule.
- Great news! **dAMBEST** is now an officially accepted carburetor brand in the Australian National Drag Racing Association, [ANDRA](#)! We are legal in Pro Stock events. Our [4500 Series](#) and [Split 4500 Series](#) carb would be recommended.
